Autonomous emergency braking system [car to car] test

17.5 / 32.0

Lane departure warning system test

8.0 / 8.0

Under construction

Notes of preventive safety technology.
(Japanese only)

Indicating obtained total points in the AEBS test
according to deceleration (velocity reduction rate)

Assigned points vary depending on the speed at
which the alert is issued and what kind of alert is
issued. Higher points are awarded to the systems
that are issued at lower speeds.
